

Please do not weaken NJ's Do Not Call List. Since that list went into effect, I have finally been able to sit down at night and enjoy the night with my family rather than answering the phone every five minutes. Without NJ's Do Not Call list, I would literally spend the majority of my time answering and hanging up the phone on telemarketers. If I wanted to buy something, I would go to the store and buy it. I do not need telemarketers attempting to bully me into buying products that I have no interest in.
